COMMITTEE REPORT.

Itching, Scaling Scalp Humor was Making It All Fall Out-Two Doctors Could Not Stop the Trouble - Niece Advised Using Cuticura,

CURED HER SCALP AND MADE HAIR GROW AGAIN

"My mother used to have a very bad humor on her head which the doctors called an ecasema, and for it I had two different doctors. Her head was very sore and her hair nearly all fell out in spite of what they both did. One day her niece came in to see her and they were speaking of how her hair was falling out and the doctors did it no good. She says, 'Aunt, why don't you try Cutleura Boap and Cutleura Ontiment?' Mother did sad-they helped her, so she soon began bathing with the Cutleura Boap and anointing with the Cutleura Boap and anointing with the Cutleura Boap and anointing with the Cutleura Ontiment, and in six months' time the itching, burning and scaling of her head was over and her hair began growing. To-day she feels very much in debt to Cutleura Soap and Ontment for the fine head of hair she has for an old lady seventy-four years old.

"In retard to my own case, mine was an ecsema something like hers. It was in my feet. As soon as the cold weather came my feet would the and burn and then they would creak open and bleed. Then I thought I would flee to my mother's friends, Outleura Soap and Cutleura Ointment. I did for four or five winters and new my feet are as smooth asany one's. Elisworth Dunham, Hiram, Mo., Bept. 20, 1903."

What Barnum Said of Cuticura.

P. T. Barnum, the famous circus man, once wrots: "I have had the Cuticura Remedies among the contents of my medicine chest, with my abows for the last three seasons, and I can cheerfully certify that they were very effective in every case which called for their use."
